

John Pizzuro, MA, CFE.

John Pizzuro has 23 years, experience from a State Law Enforcement Agency and in that role is the Commander of a Regional Internet Crimes Against Children Task Force. In addition, to running a task force and overseeing 60 affiliate law enforcement agencies, John Pizzuro has successfully investigated, managed and supervised; Internet Crimes against Children, child exploitation, fraud involving non-profit and financial institutions, bribery, corruption, money laundering, tax evasion, organized crime, racketeering, homicide, terrorism, international narcotics and human trafficking.

John Pizzuro has extensive experience in interviewing suspects, witnesses and victims during the course of numerous investigations. His approach to these interviews and countless personal interactions combined with the use of Neuro Linguistic Programming Techniques has led to numerous successful resolutions.

As a result this extensive investigative experience has provided him with a unique perspective on human behavior, and a deep understanding of the pressure that is experienced by law enforcement, their families and the public.

John Pizzuro is certified as a Master Neuro Linguistic Practitioner and has an M.A. in Human Resource Development and Training. He frequently speaks to organizations and audiences on the stress that impacts the law enforcement community. John Pizzuro teaches about personal development, leadership, technology, communication and high impact performance. He inspires, motivates, and empowers audiences to transform their lives by altering their thinking.
