First Responders & Digital Evidence

**Cyber
Investigations**

Online course

1 hour

**Prerequisite:
None**

This course provides basic information for first responders who may encounter digital evidence in the course of their duties. Topics include the definition of digital evidence, where it can be found, the importance of getting digital devices to a forensics expert, and the ways in which digital evidence can be compromised. This course also addresses the issue of when a warrant is required to seize and/or search digital devices.

This course is part of the training series *Legal Concerns for Digital Evidence Responders*. It can be completed as a stand-alone course or in combination with the other courses.
