**Cyber
Investigations**

Online course

1 hour

**Prerequisite:
None**

This course provides a legal overview of what investigators are and are not permitted to do while conducting online undercover investigations. Topics include terms of service, entrapment and outrageous government misconduct, and wiretapping law as it relates to the recording and documenting of online activities. This course also covers defense strategies commonly used to counter online undercover investigations.

This course is part of the training series *Legal Concerns for Digital Evidence Responders*. It can be completed as a stand-alone course or in combination with the other courses.
