

Michael Law
Curriculum and Content
Development Manager

Michael Law is a Development Team Manager at the National White Collar Crime Center (NW3C) responsible for overseeing the team development and updates of economic crime and intelligence products. Michael began his career at NW3C in 2012 as a Curriculum Developer specializing in the development of online and technology facilitated training and resources.

Michael has also contributed to the development and update to the following NW3C products: Cyberstalking (Online), Coronavirus: Fighting Scams and Fraud During a Global Pandemic (Webinar), Foundations of Intelligence Analysis Training (Classroom/Online), Intellectual Property Theft (Online), Human Trafficking Awareness (Online), and the Bank Secrecy Act (Online).

In addition to development, Michael also assists in the daily operations of NW3C's learning management system and provides technical support.
